Dear Parish Clerk,

We have received a planning application which affects your Parish. The application is described below and we are seeking the comments or views of your Parish Council. If the land concerned is on or near the parish boundary, we consult both councils as a matter of courtesy and welcome local views.

If your Council have so requested, a copy of the application is enclosed. Otherwise the planning application and its supporting plans and documentation can be viewed, normally within 24 hours, by using the following link and entering the application number

http://www.herefordshire.gov.uk/searchplanningapplications

Please use the space below to respond by 13/07/2012. The duplicate copy of this letter is for you to record your Council's comments and keep on file.

You will be able to monitor the progress of the application, including all of the correspondence received, officer report and decision notice by viewing the application details on the website

I look forward to hearing from you.

Yours faithfully
