Ross Town Locality Wards

Kerne Bridge, Penyard,
Ross North, East & West

Weekly Update

Hi everyone, this week has been a busy week, I have completed the Ross Town annual U Road inspection and the Ross Town monthly walked inspection. Ive also managed to get a lot of self-completed works done across the locality this week!

Next Week :

Next week I am away on the 28th & 29th on my playground inspectors course. On the other days I will be completing enquiries as usual!

Weekly Fast Facts

Enquiries: 33
Defects Raised: 35
Emergency Jobs: 4
Self-Completed Jobs: 11

Community Commissioning Reminder

The purpose of Community Commissioning is to find cost-effective ways for local communities to progress schemes for which Herefordshire Council funding is no longer readily available. It enables communities to enhance their local area and address their local needs. Any service that is within the current scope of the Public Realm contract (i.e. delivered by Balfour Beatty Living Places) can be considered, subject to approvals. This can be from a simple purchase of routine services or materials, location/street name plate signage or the purchase of litter bins, to the identification of solutions and approaches to more complex issues requiring assessment and design works.

If there is a Community Commissioning Model project that your Parish Council would like to consider procuring BBLP to assist with, please contact Molly Walters via the Communities@balfourbeatty.com inbox.

Self-Generated Works

When I am out and about on the network and I have the capacity, I undertake simple maintenance jobs providing it is safe to do so and requires no traffic Management.

B4234, Walford
Vegetation cut back from safety sign

C1280 Aston Crews
Vegetation around signage cut back by LS

Completed Jobs this week by ward.
