Weekly Update

Hi everyone, this week has been an interesting one, I'm trying to cram in a months work into 2 weeks to make sure no statutory inspections are missed when I go away. We are also into the tie of year where we have night time inspections to assess white lining and signage on the network.

Next Week :

- Baby due date! (15/11/23)
- Enquiries? Its very much unknown!

My Absence during November

Hi Everyone, I thought I would start including in here what will happen during my paternity leave that 'should' start from 15th November (providing baby is here on time!)

During my time away any enquiries logged or emergencies phoned through will still be attended to.

Any general maintenance enquiries need to be logged the usual way which is included on the briefing email.

Parishes wishing to speak to someone for advice etc should email

herefordshireparishes@bblivingplaces.com

Ward members – I have sent you personally the email address to use whilst I am away.

Enquiries logged will be attended to by a colleague and if required, defects raised as per the standard procedure and HMP.
