Weekly Update

Hi everyone, this week (including last Friday) has certainly been busy. The heavy rain presented challenges and a significant number of blocked gullies were identified around the area. Thank you to those of you that took the time to report these.

Next Week :

- November creeps in next week meaning that all statutory monthly inspections re-set
- I will also be carrying out some volunteering work with colleagues at The Prospect on Tuesday

My Absence during November

Hi Everyone, I thought I would start including in here what will happen during my paternity leave that 'should' start from 15th November (providing baby is here on time!)

During my time away any enquiries logged or emergencies phoned through will still be attended to.

Any general maintenance enquiries need to be logged the usual way which is included on the briefing email.

Parishes wishing to speak to someone for advice etc should email

herefordshireparishes@bblivingplaces.com

Ward members – I have sent you personally the email address to use whilst I am away.

Enquiries logged will be attended to by a colleague and if required, defects raised as per the standard procedure and HMP.
