Locality Weekly Update

This week has been a short week for me with a couple of days annual leave in the mix. I have completed the monthly locality C road inspection and attended a number of enquiries and emergencies across the area. I have also helped out in a neighbouring locality where a colleague is currently away.

Next Week

Monday - Monthly Town walked inspection & monthly playgrounds inspection

Friday - Monthly team meeting

Seasonal/Important Info

We continue to experience torrential downpours across the county. During these events, please report any defects you see on the network using the above methods. If you believe something is an emergency or requires attendance ASAP, please call the 24/7 phone number to speak to someone in our office.

During these events we often stand down teams to assist with signage deployment and other emergencies on the network.
