Self Completed Works

An Example of some of the works completed by
myself this week.

Location: C1251, Whitchurch

Type of repair: Report of standing water causing
a deep defect in the road surface. Drain cleared
and defect revealed for repair.

Before

After

Locality Weekly Update

I have been assisting with enquiries just
over the boarder onto the Ledbury patch and
also taken the opportunity to unearth gully
covers that have been covered during the
winter weather.

Next Week

Our statutory highway inspections begin
tomorrow.

Important Info

Please encourage parishoners to report any
defects as detailed above.

This allows enquiries to be correctly
researched and accurately pinned on the
map.
