

## Ross Town Locality

Harry.Bradbury@balfourbeatty.com

Hi everyone,  
I have only been in Thursday & Friday this week but have tried to clear almost all of my enquiries and squeezed in a few self generated jobs as well!

### What I've been up to this week

#### INSPECTIONS COMPLETED/UPCOMING

No inspections completed by myself this week however the Ross B roads and Ross C roads monthly inspections have been completed by my colleagues on my behalf whilst I was on annual leave.

Next week I will be completing the Quarterly Ross Accident site inspection.

#### Site Visits

No site visits this week.

### What's coming up & other news

Week Commencing 28/11/2022

Next week I will be meeting some more of you throughout the week and completing some inspections that are upcoming. Ill also be doing the usual responding to enquiries and emergencies and completing a few jobs I have identified that I can complete myself! (mostly sign cleaning!)

#### To Note :

There are usually 2 pages to the briefing, the second page normally contains the 'completed works' section. Unfortunately I am still awaiting the report that provides this to be set to sent to me, I have chased this with out IT team.

### Self-Generated Works

When I am out and about on the network and I have the capacity, I undertake simple maintenance jobs providing it is safe to do so and requires no traffic management.

#### School Lane, Weston Under Penyard

Enquiry for gullies covered in debris and mud. Cleared debris from cover. (2 completed)

#### Rectory Lane, Weston Under Penyard

Sign cleaning
