## Ross Town Locality

Harry.Bradbury@balfourbeatty.com

Hi everyone,

This week has been a mixed week with inspections completed in Ross and Bromyard and I have also been assisting with night time inspections in other localities. I have also had the chance to meet some of you in the parishes and attended a parish council meeting.

### What I've been up to this week

#### INSPECTIONS COMPLETED/UPCOMING

Ross Town A Roads Monthly

(Assisted with Bromyard C & U Monthly, Bromyard A & B Night time and Weobley Night Time C & U roads)

#### Site Visits

This week I have met with numerous parishes to discuss issues that I may be able to assist with, this has been beneficial to see issues affecting the parishes and how I can help going forward.

### What's coming up & other news

Week Commencing 14/11/2022

Next week will be another mixed week of inspections both in and out of my locality. I will also be completing my enquiries as standard. I also have my monthly walked inspection of Ross Town on Monday.

To Note :

There are usually 2 pages to the briefing, the second page normally contains the 'completed works' section. Unfortunately I am still awaiting the report that provides this to be set to send to me, as soon as that starts, I'll be sure to include it for you!

### Self-Generated Works

When I am out and about on the network and I have the capacity, I undertake simple maintenance jobs providing it is safe to do so and requires no traffic management.

#### Revells Lane, Linton

Gully completely covered in leaves and debris, cleared to allow water to flow.
