Self-Generated Works

When I am out and about on the network and I have the capacity, I undertake simple maintenance jobs providing it is safe to do so and requires no traffic Management.

Due to catching up after being off last week, I have not been able to complete any self-completed works on the network this week

Weekly Update

Hi everyone, this week I have returned from annual leave. I came back in to a significant number of enquiries which I have been working through this week on top of my statutory inspections.

This week I have completed the Ross Town A, B & C roads monthly inspections

Next Week :

Next week is business as usual attending enquiries, emergencies, completing jobs on the network where I can and assisting colleagues with their statutory inspections.

Balfour Beatty Volunteer Days

Each year, BBLP staff are entitled to take 2 days to complete volunteer works!

This can be anything from litter picking with community groups to vegetation control or planting.

Generally our volunteer days are used where our skills can be best utilised (Highways & Public Realm tasks)

An Example – several of my colleagues help Burghill Parish each year with their Burghill in Bloom works!

If you have an event coming up or something where you are looking for volunteers, drop me an email and I can see what we can do to help!
