My Absence during November

Hi Everyone, I thought I would start including in here what will happen during my paternity leave that 'should' start from 15th November (providing baby is here on time!) and will mean I am off until January.

During my time away any enquiries logged or emergencies phoned through will still be attended to.

Any general maintenance enquiries need to be logged the usual way which is included on the briefing email.

Parishes wishing to speak to someone for advice etc should email

herefordshireparishes@bblivingplaces.com

Ward members – I have sent you personally the email address to use whilst I am away.

Enquiries logged will be attended to by a colleague and if required, defects raised as per the standard procedure and HMP.
