Seasonal/Important Info

Herefordshire council have recently published a new policy on advertising signage that is placed on the highway.

As we enter the summer months I know many parishes will be holding events. If you plan to put any signage out, please make sure you have read the below document.

Any signage on the network that does not meet the criteria will be removed by a Locality steward to ensure the safety of highway users is maintained.

The document can be viewed here – [Issue details - Tourist and Temporary Event Signage Review - Herefordshire Council](#)
