**Thurs** – Assisting Ross Rural Locality

**Fri** – Monthly LS Meeting & enquiries

## Seasonal/Important Info

We continue to experience torrential downpours across the county. During these events, please report any defects you see on the network using the above methods. If you believe something is an emergency or requires attendance ASAP, please call the 24/7 phone number to speak to someone in our office.

During these events we often stand down teams to assist with signage deployment and other emergencies on the network.
