Seasonal/Important Info

As we enter the months with better weather (hopefully) I am again asking for your help in identifying signs on the network that need some TLC.

If you spot a sign that needs cleaning and you think it would be safe for me to do this myself at the road side, please let me know by email or it can be logged the same way that you log a pothole defect!

When I get a chance and I'm in the area, ill do my best to get it cleaned!
