Self Completed Works

An Example of some of the works completed by Pete this week.

Location: B4234 Bishopswood

Type of repair: Footway scraped and cleared around war memorial

Before

After

Locality Weekly Update

Hi Everyone, this week I have been supporting our drainage operations again and supervising some of the works they have been carrying out. Pete has been completing enquiries and also a significant amount of self generated work around the area which you will see on the next two pages.

Next Week

Pete continues to familiarise himself with the locality and completing enquiries. Ross Town A & B Statutory Inspection

Important Info

Pete has now taken over completing the enquiries that are coming in for the Ross Locality.

If you have any queries, please contact him directly, if it is something I was previously dealing with, please drop me an email and I will assist where I can.

Whilst Pete is still learning and familiarising himself with the area I will be completing the statutory inspections in the locality. Pete will soon take over the weekly briefings.

Pete's details –

peter.bradbury@balfourbeatty.com
