## Locality Weekly Update

Hi Everyone, this week I have completed the monthly statutory walked inspection of the town centre and also the monthly inspections of the HC play areas in the locality. I also had a good catch up with a ward member and parish councils. We have experienced heavy rainfall this week so I have been checking gullies in affected areas.

### Next Week

Monthly A & B roads

## Seasonal/Important Info

As we go into the winter we will start to experience changeable weather.

With heavy rain, gullies can often silt up with debris that is washed into them and in turn results in pooling water on the carriageway.

If you spot a gully that is not working as it should be, please report it using one of the usual methods of reporting for it to be inspected by a locality steward.

Members of the public should also be asked to do this so that we are able to act on each report.
