After

Locality Weekly Update

Hi Everyone, what a week that was! Just as we were getting back on track after storm Bart we were hit with storm Darragh. We lost some big trees and had quite a number of flooded roads, amazing work by the Tree Teams and our Hub, keeping the network safe and as open as possible.

We also had to deal with a 40 ton load of sweet wrappers overturned on A4137.

Next Week

We will be catching up on open tickets and completing A, B and C road inspections.

Important Info

I have now taken over full responsibility for reacting to jobs on the area. This will include close contact with Harry for any residual issues.

If you have any issues please let me know.

Please encourage parishoners to report any defects as detailed above.
