## Locality Weekly Update

Hi Everyone, this week I have been progressing all the live tickets for the area, taking advantage of no floods, abandoned vehicles in floods or mud left behind from floods!

We have recently completed walked inspections of the town centre, you may have noticed all the tree-fall gone from the high street pavements.

### Next Week

We have A and B road driven inspections in progress and then C roads towards the end of the month.

## Important Info

I have now taken over full responsibility for reacting to jobs on the area. This will include close contact with Harry for any residual issues.

If you have any issues please let me know.

Please encourage parishoners to report any defects as detailed above.
