Locality Weekly Update

Hi Everyone, progress through the live tickets has been good despite the arctic blast. The resurfacing on Alton Road continues, thanks to those who helped to keep the parked cars off the road. The hotbox pothole teams have been busy on the area.

Next Week

We have C roads, playgrounds and walked inspections.

Important Info

I have now taken over full responsibility for reacting to jobs on the area. This will include close contact with Harry for any residual issues.

If you have any issues please let me know.

Please encourage parishoners to report any defects as detailed above.
