Locality Weekly Update

Hi Everyone, this week I have completed the annual statutory inspection of the town roads, there were 143 roads to be inspected which took a considerable amount of time! I have also been spending some time with our drainage operations team to get a better understanding of how they work.

Next Week

Mon – Town walked inspection, parish meetings

Tues – Enquiries

Wed & Thurs – Parish Meeting, Enquiries

Fri – Monthly LS meeting

Seasonal/Important Info

Herefordshire council have recently published a new policy on advertising signage that is placed on the highway.

As we enter the summer months I know many parishes will be holding events. If you plan to put any signage out, please make sure you have read the below document.

Any signage on the network that does not meet the criteria will be removed by a Locality steward to ensure the safety of highway users is maintained.

The document can be viewed here – [Issue details - Tourist and Temporary Event Signage Review - Herefordshire Council](#) (see app.3 for specifications)
